**SPORT**  
**VANCOUVER ISLAND**

PacificSport Vancouver Island, a local not for profit regional sport hub, has been operating since 1995. While you may have heard of PacificSport Vancouver Island in a sport and high-performance capacity, it's their work in the community and recreation sector that is the great passion for many of their volunteers and staff.

This organization partners with recreation/sport groups, school districts and health authorities to deliver programming for youth across the city. Programs range from after-school teaching activities for children's sports, art, and circus, as well as inclusive sport programming for children in wheelchairs.

During the Spring and Summer, the week-long XploreSportZ camps introduce kids to a variety of sport, recreation, and movement skills training and skill-specific program that help them learn to cycle, bike, skateboard, fish and more.

Partnerships with local groups help Pacificsport to connect across the region.

Cont. over

## PacificSport Vancouver Island cont.

Children participating in these programs leave their summer camp experiences with new skills and new confidence in their goals.

While the Covid-19 pandemic has slowed down the need for volunteers at this time, there may be upcoming opportunities to get involved with their programming this summer.

If you are a keen volunteer who loves sport and recreation, email PacificSport Vancouver Island Program Coordinator Amanda Gould at [agould@pacificsport.com](mailto:agould@pacificsport.com) to inquire about more about opportunities.

## Volunteer Nanaimo Youth Making a Difference!

### Youth 20/20 Can & Youth NetWork of Volunteer Nanaimo

**It's official! We have adopted Diver Lake Park and have begun our stewardship with our first work party.** We are excited to help protect the environment.

Youth programs at Volunteer Nanaimo are all about building community and making a difference. Last month our youth hosted a donation drive for Homeless youth. The support we received was amazing! **Thank you to everyone who donated, Save on Foods** for hosting our drive and **Nanaimo News Bulletin** for sharing our story.

**Youth NetWork is for youth between 11-18.** In pre-pandemic days, Youth NetWork members volunteered at countless events in the community. With the cancellation of events, Youth NetWork members have joined forces volunteering with Youth 20/20 Can members.

**Youth 20/20 Can is a youth-led project for youth 15-29 years old.** Members come together to brainstorm activities, projects and events and then work together to turn those ideas into reality. Presently we have several projects on the go.

To celebrate **Ocean's Day** on June 8<sup>th</sup> we're creating a video to share why we think the ocean is important. We are also painting rocks for the **Volunteer Nanaimo Touch a Truck scavenger hunt**, planning a **Youth Talent Show** and a fun in-person get together when COVID restrictions are lifted.

Follow our Instagram & Facebook pages to see the Ocean's Day video and other projects we are working on.

@youth2020cannanaimo

Every Tuesday night Youth NetWork and Youth 20/20 Can members meet to watch Ted Talks, play games and have discussions. Every Thursday night Youth 20/20 Can members meet to have a brainstorming/planning meeting.

**We are always looking for new members to join us.** If you are between 11-29 years old and want to be involved, get connected and help shape the community we want to hear from you! Our volunteer programs allow youth to follow their passions, explore their interests, have fun, all while helping them build their self confidence, personal skills and resumes for the future.
